To: **High School Guidance Counsellors**
From: **Yakima Valley Harley Owners' Group (HOG) Chapter**
Sponsored: **Owens Cycles, sponsoring dealer**
Subject: **\$750 Scholarship (one-time) Opportunity
for eligible 2017 Graduating Senior**

Dear Counsellor:

The Yakima Valley HOG Chapter is pleased to announce a Cash Scholarship awarded to the winning entry as determined by a panel of Chapter members.

The qualifying requirements are very simple. Applicant must write, 1) an original essay 2) relating his or her association and/or relationship with a family member, who 3) owned / rode a Harley-Davidson motorcycle.

The details should include 1) the exact PERSONAL relationship (does NOT need to be an immediate family member) of the Harley-Davidson owner / rider to the High School graduate / essay writer, 2) the specific details of the motorcycle model, year, and any customizations or accessorizing, and 3) at least one, specific example or particular event which represents the significance of that Harley-Davidson motorcycle to the graduating Senior.

The essay should be type-written, with double-spaced lines, on standard 8.5" x 11" white paper.

The essay should be titled, "**There's a Harley-Davidson Motorcycle In My Family**". The more personally significant, and detailed, the student's specific relationship, the better.

Accompanying the essay should be a photo; showing, 1) the motorcycle, and/or 2) the relative, and/or 3) the graduating senior essay writer - in that order of importance. A single photo of all three together - is preferred.

Based on an average of 250 words per double-line spaced page, the minimum length is one page and the maximum length is two pages for the submitted essay.
